IANTD Facility Prerequisites & Benefits

1. IANTD Facilities are required to meet the following prerequisites:

- Be a professional dive business
- Conduct IANTD programs in accordance with current IANTD training materials and Standards

2. To qualify as an IANTD Educational Facility in addition to 1 the following Standards must be met:

- Provide IANTD diver training using qualified and active IANTD Instructors with classrooms on-site and confined water within a reasonable distance
- Have access to equipment and fills adequate for the level of training supplied.

3. To qualify as an IANTD Mixing Facility in addition to 1 the following Standards must be met:

- Offer EANx mixtures, perform quarterly air analysis, meet IANTD Air Quality Standards, use qualified blenders for mixing all gases, and maintain oxygen analyzers for on-site gas analysis

4. To qualify as an IANTD Full Service Facility in addition to 1 the following Standards must be met:

- Paragraphs 2 and 3
- Have equipment rentals available and in good working order
- Offer maintenance and repairs as well as Oxygen service on diving equipment

IANTD Advertising

IANTD offers several Co-op advertising and Internet advertising opportunities. Regional magazines that have Co-op opportunities are being added and IANTD will help you reach into your region by forming co-op ads with the regional magazines in your area. Contact IANTD Eastern Mediterranean for more information or to answer any questions concerning advertising rates and opportunities.

NITROX DIVER Magazine

All IANTD Instructors and members worldwide receive quarterly copies of IANTD's magazine NITROX DIVER. By advertising in the NITROX DIVER you can increase your exposure and recognition to your current customers as well as drawing new traffic to your Facility. Please contact us for details.

IANTD WWW Home Page

IANTD was the first diving certification agency to offer Internet access to the listings of all active IANTD Facilities. We can offer a listing of your IANTD Facility on our Home Page, or you can get a personalized Home Page for increasing exposure to the diving consumers browsing the Internet for SCUBA information, at terms that we can discuss.

Merchandise Discounts

As an IANTD Facility you may be eligible for discounts on all your merchandise purchases according to quantity ordered. Please refer to the current IANTD Eastern Mediterranean Pricelist for details.

IANTD Logo

As an IANTD Facility, you are granted permission to use the IANTD name and Logo for your promotional and advertising needs.
